

This is a guide to maximum seating. Actual event layouts may decrease or increase the seating capacity.

Harman Hall:

1276 No thrust stage-all seats in.

Pavilion:

220 theatre style seating (rows)

OR 160 seats at 20-round banquet tables with 8 chairs per table (no room for anything else when using 20 rounds)

OR 55 seats at really large horseshoe meeting table

Main lobby:

100 theatre style seating (rows)

OR 144 seats at 18-round banquet tables with 8 chairs per table.

OR 40 seats at a horseshoe meeting table (light from windows can be an issue when using projectors)

Balcony lobby:

120 seats at 15-round banquet tables with 8 chairs per table.

OR 30 seats at a horseshoe meeting table (light from windows can be an issue when using projectors)

Theatre style seating (rows) doesn't really work in the balcony lobby.

Philips Hall:

180 theatre style seats
